Subject: 10/001863-Score over length.

Please perform a score over length search of SEQ ID NO: 3 of application no. 10/001863.

Search for compounds that are 8 to 80 nucleobases in length, having at least 75% identity to SEQ ID NO: 3.

Please search all commerical and patent (issued and published) nucleic acid databases.

### Thanks,

Thanks,
